1. The provisional calendar of conferences and meetings in the economic, social and related fields for 2008 and 2009, contained in the annex to the present document, has been prepared in accordance with the relevant General Assembly resolutions, in particular resolutions 37/14 C, 39/68 B and D, 40/243, 41/177, 41/213, 42/207 B, 45/264, 46/235 50/227, 59/145 and 61/16 and the relevant decisions and resolutions of the Economic and Social Council. Attention is drawn to the following decisions of the Council and the Assembly:

(a) That the Council should hold an organizational session not to exceed four days' duration in early February and a resumed organizational session at the end of April for one or two days, and that the Council should hold one substantive session of four weeks to take place in alternate years in New York and Geneva in July (Assembly resolutions 45/264 and 50/227);

(b) That the Council, as a Charter body, is entitled to convene meetings as and when needed, with full substantive support and conference services, and that the Council, beginning with its 2007 session, is entitled to convene additional meetings of up to two weeks in order to facilitate the fulfilment of its newly assigned responsibilities for organizing the annual ministerial reviews and the Development Cooperation Forum and to hold ad hoc meetings, in order to effectively fulfil its mandate under the Charter (General Assembly resolution 61/16);

(c) That all meetings of subsidiary and associated organs should conform to the Council's schedule of meetings and not vice versa (decision adopted at the Council's 1837th meeting, on 28 July 1972, at the fifty-third session);

(d) That the Secretary-General should ensure that meetings of the subsidiary bodies of the Council end at least eight weeks before the session of the Council at which their reports were to be considered (Council resolutions 1982/50, para. 1 (l), and 1988/77, para. 2 (f) (i));

(e) That the subsidiary bodies of the Council, with the exception of the regional commissions, may not create either standing or ad hoc intersessional subsidiary bodies without prior approval of the Council (rule 24, para. 2, of the rules of procedure of the Council);

(f) That the regular sessions of the Economic and Social Commission for Asia and the Pacific, the Economic Commission for Latin America and the Caribbean, the Economic Commission for Africa and the Economic and Social Commission for Western Asia and meetings of their subsidiary bodies may be held away from their headquarters when the commission concerned so decides, subject, in the case of regular sessions of the commissions, to the approval of the Council and the Assembly (Assembly resolution 40/243, sect. I, para. 4 (f));

(g) To adopt, on a regular basis, a biennial cycle of meetings that would correspond to the programme budget cycle, for better administrative control (Council decision 281 (LXIII), para. (b));

(h) That (i) the regular sessions of the functional commissions and standing committees of the Council should normally have a duration of not more than eight working days; and (ii) once the calendar of meetings had been adopted by the Council, no additional meetings involving departures from the biennial cycle of meetings would be authorized during the biennium (Council decision 1979/81, paras. (b) to (d), and Assembly resolution 34/50) and that the waiver to the

headquarters rule contained in Assembly resolution 40/243 would be discontinued in the case of the functional commissions (Assembly resolution 49/221 A);

(i) That, in the future, there should be an intervening period of at least two weeks after the closing of the sessions of relevant intergovernmental bodies and the beginning of the session of the Commission on Sustainable Development, in accordance with the multi-year programme of work of the Commission, and that such intergovernmental bodies and the Commission are encouraged to closely coordinate meeting dates and programmes of work so as to avoid overlap between sessions.

2. The Council's attention is drawn to the decision taken by the Committee on Conferences at its 154th meeting, on 11 March 1981, that, in the future, requests for intersessional departures from the calendar of conferences should only be submitted to the Committee for its consideration if accompanied by a presentation of detailed substantive arguments supporting a proposed change in or an addition to the calendar. The Committee also decided to request the Secretariat to inform the Committee, as far in advance as possible, of the need for a postponement of sessions of United Nations bodies, together with a presentation of the substantive reasons necessitating a delay.

3. The Council may recall that in its decision 1992/214 of 7 February 1992, it decided to grant authority to its Bureau to approve intersessional departures from its approved calendar of conferences and meetings in respect of its subsidiary bodies when the Council was not in session and after consultation with the Committee on Conferences.

4. The Council's attention is drawn to Council decision 1988/103, in which the Council decided to invite the Committee on Conferences to review the Council's draft biennial calendar of conferences and meetings, beginning with the calendar for 1990-1991, and submit, as appropriate, its recommendations thereon to the Council. Such recommendations as the Committee on Conferences may have will be placed before the Council.

5. The Council may recall that in paragraph 2 (f) (ii) of its resolution 1988/77, it decided to further consider the biennialization of the sessions of its subsidiary bodies. As approved by the Council in its resolution 2006/49, the United Nations Forum on Forests has biennialized its meeting schedules starting from 2007. The other subsidiary bodies of the Council that meet biennially are the Economic Commission for Latin America and the Caribbean, Economic and Social Commission for Western Asia, United Nations Group of Experts on Geographical Names and Committee of Experts on the Transport of Dangerous Goods and on the Globally Harmonized System of Classification and Labelling of Chemicals.

6. The Council may wish to take the opportunity of its review of the provisional calendar to consider further the question of the biennialization of its subsidiary bodies in the context of its review of the mandates, composition, functions and working methods of its functional commissions and expert groups and bodies (see Council resolution 1996/41 and General Assembly resolution 50/227).

7. The Council may wish to recall that the Commission on Human Rights which was a functional commission of the Council has been replaced by the Human Rights Council which is a subsidiary organ of the General Assembly (Assembly resolution 60/251).

8. The Council's attention is drawn to Human Rights Council decision 1/102, whereby the Human Rights Council decided to extend exceptionally for one year, subject to the review to be undertaken by the Human Rights Council in conformity with General Assembly resolution 60/251, the mandates and the mandate holders of all the special procedures of the Commission on Human Rights, the Subcommission on the Promotion and Protection of Human Rights and the procedure established in accordance with Council resolution 1503 (XLVIII). In the course of the review, the mandates of the following subsidiary bodies of the Human Rights Council have been renewed:

- Open-ended working group on an optional protocol to the International Covenant on Economic, Social and Cultural Rights (mandate renewed by resolution 1/3 of the Human Rights Council for a period of two years).
- Intergovernmental working group on the effective implementation of the Durban Declaration and Programme of Action (mandate renewed by resolution 1/5 of the Human Rights Council for a period of three years).
- Working group on the right to development (mandate renewed by resolution 4/4 of the Human Rights Council for a period of two years).
- High-level task force on the implementation of the right to development (mandate renewed by resolution 4/4 of the Human Rights Council for a period of two years).

9. The Council may wish to note that the former Secretary-General, in his letter to the Committee on the Elimination of Discrimination against Women, dated 11 October 2006, informed the Committee of his conclusion that the common objective would be best served by the United Nations if responsibility for supporting the Committee were to be transferred to the Office of the High Commissioner for Human Rights in Geneva. The Committee, in its letter to the current Secretary-General, dated 2 February 2007, recommended that the proposed change in servicing arrangements be implemented in 2008.

10. The Council may recall that the Committee on the Elimination of Discrimination against Women used to meet twice a year and that the General Assembly, in its resolution 60/230, authorized the Committee to hold three annual sessions of three weeks each, with a one-week pre-sessional working group for each session, effective for 2006 and 2007 as a temporary measure. The Committee anticipates that it will continue to hold three annual sessions in both 2008 and 2009, subject to the renewal of its current mandate by the Assembly.

11. The Council may wish to note that in accordance with article 20, paragraph 2, of the Convention on the Elimination of All Forms of Discrimination against Women and part one, rule 5, of the rules of procedure of the Committee on the Elimination of Discrimination against Women, the meetings of the Committee shall normally be held at United Nations Headquarters or at any other convenient place as determined by the Committee. As the Office of the United Nations High Commissioner for Human Rights, which will be the new substantive secretariat of the Committee, is in Geneva, the meetings of the Committee, its pre-sessional working group and the working group on communications under the optional protocol to the Convention will normally be held in Geneva starting from 2008, although the Committee has emphasized the importance of holding one of its annual sessions in New York. The Meeting of State Parties to the Convention on the

Elimination of All Forms of Discrimination against Women will continue to be held in New York.

12. The Council may wish to note also that the General Assembly has endorsed the report of the Committee against Torture, in which the Committee decided to meet, as at its thirty-ninth session, for three weeks, two times a year, in May and in November respectively, without being preceded each time by a one-week session of the pre-sessional working group (Assembly resolution 61/153).

13. In the preparation of the provisional calendar, due regard has been taken of General Assembly resolution 53/208 A, in particular paragraph 11, whereby it was decided that United Nations bodies should be invited to avoid holding meetings on Orthodox Good Friday and that this arrangement should be taken into account when drafting future calendars and meetings. For the next biennium, Orthodox Good Friday occurs on 25 April 2008 and on 17 April in 2009.
